

FSCPM Board Meeting – Thursday, April 10, 2014

Called to order - 12:08 p.m.

Adjourned - 12:28 p.m.

Attendees:

John Levitt, Treasurer

Kara Stallings, NWFL President

Sabrina Hartley, President

State and Chapter Logos

- The Suncoast Chapter has a historically strong identity to/with its logo and would like to maintain it for chapter use.
- The FSCPM is not and does not want to be in the role of dictating local chapter operations but, rather, acts as a support to and of the local chapters.
- We suggest leaving chapter logo matters as they are encourage the NWFL Chapter, (and future chapters), to develop a logo as it deems appropriate – free to either tailor a logo or adopt the state logo.

Symposium

- Kara and Sabrina are working on the details to get a ‘save the date’ together and distributed.
- Sabrina will send out ideas/decision points to the board for review/discussion/deciding by COB, Friday, April 11.
- Need to confirm w/ Jerry that we have access to breakout rooms – if the crowd needs to be split, can we accommodate?
- We want to look into the idea of background music for some periods.
- The deposit for Dr. Jason (\$250) will show-up in the April financials.

Askew Award

- AACPM has done away with the Askew Award and the criteria are being made available for use.
- John reports that he was on the Askew Award Review Committee for several years and getting student submissions was an extreme challenge.
- We will assess whether the Askew Award has any value for the FSCPM or local chapters.

On-Site Trainings

- Monday, April 7th , was the latest successful event in Walton County. 42 attendees and another training scheduled for Monday, May 19th, in Tallahassee.

- Will continue to work with FCPM staff to plan additional future dates as they are available around graduations.
