

Attachment D

On Thursday, January 24, 2013, Larry P. Totten, CPM, and Chair, ASPA/AACPM Section; Treasurer, ASPA/PMP Section, requested that the Florida Society of Certified Public Managers (FSCPM) return its charter to the American Academy of Certified Public Managers (AACPM) in recognition of affiliation termination. The FSCPM was unable to locate the actual charter for return, and, as such, it was symbolically returned to the AACPM to terminate affiliation.

As Acting President of the FSCPM, I, Sabrina Hartley, attest that the Florida Society of Certified Public Managers (FSCPM) alumni society is not currently licensed under another agreement to use the CPM service mark.
