National CPM Consortium

Dear Ms. Kathi Parker:

On behalf of the Polk County Chapter of the Florida Society of Certified Public Managers (FSCPM), I would like to express our united support of the Florida Society of Certified Public Manager program and its graduates. The principles/beliefs and best practices approach of the CPM Program meet the educational and leadership needs of individuals and our collective organizations who participate and believe in the program. The Polk County Chapter looks forward to maintaining our professional designation as we grow and support the Florida CPM Program.

Sincerely,

*Angie Whisnant*
