CPM Consortium,

I'm writing in support of the attached application by the Florida Society of Certified Public Managers (FSCPM) to request a license to use the CPM service mark.

I have worked closely with the leadership of FSCPM during this process and have assisted them in preparing this application. I have reviewed the application and can verify that it is complete and includes all required supporting documents.

As the Director of the Florida CPM program, I support FSCPM as the one designated alumni organization in Florida authorized to use the CPM service mark. I look forward to working with FSCPM to continue meeting the needs of CPM graduates in our state.

Please let me know if you have any questions, or need any additional materials, to approve this application.

Sincerely,

A handwritten signature in black ink, appearing to read "Ben Green".
