

# Memorial Day Flag Placing

Join Gateway Chapter FSCPM in support of the  
Jacksonville National Cemetery

May 22, 2025 / 2:30 pm

Info from: [Memorial Day 2025 - Support Committee at Jacksonville National Cemetery](#)

In preparation for Memorial Day at Jacksonville National Cemetery, American Flags will be placed at each gravesite in advance of Memorial Day to honor our fallen. These flags are placed by volunteers, and all are welcome to come to help place/pick up flags.

Please plan to arrive 30 minutes before our events to allow time for parking and walking to the meeting place. We have a volunteer parking team which will direct you to a safe place to park. All events are “Rain or Shine”. The address is 4083 Lannie Rd, Jacksonville, 32218.

We will place 20,000+ American Flags, one at each gravesite throughout the cemetery. Please arrive by 2:30pm. This is a walking event. Please be prepared to walk the cemetery and you may want to bring work gloves to protect your palm as you push flags into the ground. We will have limited water available – you may want to bring your own.
